1. Statement of Progress

Activities include internal meetings to discuss NCCC's participation in the workspace, Developer/Adopter teleconferences as well as participation in workspace teleconferences.

2. Progress Description

Teleconferences with the Dartmouth Team and members of the adopter team at OHSU were held May 16, May 23 and May 31.

Contact was made with Patti Rich at Dartmouth about Material Transfer Agreements that will need to be in place with OHSU to allow OHSU to send data to Dartmouth for testing of the algorithm. Her name was given to the OHSU Team for further contact.

The following Workspace teleconferences were attended:

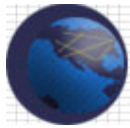

- *May 9: Proteomic SIG teleconference: Paul Courtney*
- *May 12: Proteomics Workflow SIG teleconference: Paul Courtney and Dave Jewell.*

Major Accomplishments:

- Paul took part in ICR WS Face to Face meeting at Washington University
- Paul took part in the new Population Sciences SIG

Activities Planned for next month

- Finalize Use Case review with OHSU.
- Finish the migration of Q5 from Matlab to R

3. Issues and Risks
